About the conference

Heart Congress 2024 welcomes all the professionals from Medical Healthcare, Cardiologists, Surgeons, Medicine Specialists, Professors, Medical Researchers, Nurses and Nurse Practitioners, Fellow Scholars, Industrial Professionals, Physicians, Student Delegates and Exhibitors to our two-day event “ Global Summit on Cardiology and Heart Diseases” scheduled on June 10-11, 2024 at London, UK with a goal to empower healthcare providers.

Theme: “Revealing Innovations in Cardiology for a Healthier Heart” will be featuring the world class keynote talk, speakers presenting clinical studies, oral and poster presentation with interactive networking session and workshops.

Why to attend the conference

Heart Congress 2024 is one of the world’s leading scientific conferences to bring together globally renowned cardiology healthcare practitioners, scientists, public health experts, academics, academic scientists, industry researchers, and scholars to share ideas. You will take advantage of seminars from business experts, scientific meetings, and contact with members of the business, meeting attendees, and lunch and coffee break experiences. The goal of this meeting is to promote new therapeutic ideas and examine the existing demand for the potential direction of cardiovascular medications, equipment, and diagnostics, with a greater focus on new products that will be useful across the cardiology spectrum. We expect healthcare professionals from over 100 countries to be invited.
