ABOUT THE EVENT

Innovation Info Conferences (IIC), A non profit organization, is glad to announce the **International Conference on Advanced Nanotechnology and Nanomaterials (ANN 2023)** to be held in **Dubai, UAE** during **August 07-08, 2023**

MSE 2023 conference boasts of a huge variety of Keynote presentations, plenary talks, Poster presentations and Career development programs. Materials Science & Engineering aims to bring together a significant number of leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Materials Science & Engineering.

It is a foremost integrative platform for researchers, educators and practitioners alike to present and explore the latest innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Materials Science & Engineering.

CONFERENCE TOPICS

- Nanotechnology in Medicine
- Nanoelectronics
- Nanomedicine and Biophysics
- Functional Nanoparticles and Nanomaterials
- Nano chemistry in Chemical sensors
- Medicinal Nano chemistry
- Brownian motion in wet Nanotech
- Hydrophobic Nanotechnology
- Nanotechnology in clothing
- Nano biosensors
- The future of Nanomedicine-fusing therapy and diagnostics
- Nanoscale formulation and targeted drug delivery system
- Small materials in living organisms
- Nanoscale formulation and targeted drug delivery system
- Nano electronic Biomedical Devices
- Nano photonics in Mother Nature
- Computational Nano photonics
- Nanomaterials electronics
- Nanotube transistors

TOP REASONS TO PARTICIPATE

Here are the top four reasons not to miss this meeting.

1. Discover new and cutting-edge research:

Gain insight about the latest trends in science and enhance your knowledge beyond your scientific field of interest. With a robust scientific program, this is a new path that links and organizes select sessions from the scientific program into cross-disciplinary themes.

2. Supreme visibility for your science:

The conference draws together both luminaries in their fields and up-and-coming talent. With participants ranging from students to academics to policy makers, there are plenty of opportunities to seek out funding for new research and get quality feedback before publishing your research in a peer-reviewed journal.

3. Network with your peers:

The meeting offers unlimited opportunities to network with your colleagues from diverse backgrounds and regions. Kick off the meeting with your peers at the opening ice breaker reception and connect with people who specialize in your field during daily networking breaks.

4. Advance your career:

The meeting can help advance your career and increase your worth to potential employers.

GLIMPSES OF PAST CONFERENCE

PAST CONFERENCE TESTIMONIALS

Donovan B. Yeates, Ph.D., CEO, KAER Biotherapeutics Corporation

Many thanks. I certainly enjoyed the conference. Being in Amsterdam is a special occasion and in wonderful weather. Again many thanks for the invitation.

Dr. Jan Jacques Michiels

This conference is critical to make sure that we understand current challenges that researchers and clinicians are currently facing, and being able to leap slightly ahead of them, so that by next year's conference, we'll have solutions and products that meet their needs.

Paul A. Sunseri, Psy.D.

Great for gaining insights into unpublished research and clinical findings, and a significant opportunity to network and problem-solve with colleagues.

Dr. Steven Walker

It was a very fascinating conference and had a wonderful experience to share about research with professionals in the field.

Koenraad Smets

I can certainly declare that the keynote lectures and oral presentations were generally of an excellent standard and although covering a wide range of topics, in my opinion, they were all relevant to the discipline of Pediatrics.

Annelies Keymeulen

I have never been to a conference where i felt like i got to know so many new people so well.

Dates to Remember

- **Conference dates: August 07-08, 2023**
- **Abstract Submission Closing: August 1st, 2023**
- **Registration Closing: August 06, 2023**
- **On Spot Registration: August 04, 2023**

Dubai UAE

Dubai is a city and emirate in the United Arab Emirates known for luxury shopping, ultramodern architecture and a lively nightlife scene. Burj Khalifa, an 830m-tall tower, dominates the skyscraper-filled skyline. At its foot lies Dubai Fountain, with jets and lights choreographed to music. On artificial islands just offshore is Atlantis, The Palm, a resort with water and marine-animal parks.
